

## **Jordan Wong, Partner**

### **Career Overview**

Mr. Wong's real estate career began in 2003 after a successful career in Corporate Finance where he held various financial management positions with various high tech companies', such as Amdahl, SGI and PeopleSoft, providing a unique understanding of both corporate finance and commercial real estate. Prior to his partnership with Vandermade Commercial, Mr. Wong was with Coldwell Banker Commercial NRT where he focused on Office/Industrial properties in Silicon Valley and Northern California representing buyers, sellers, landlords and tenants.

### **Professional Brokerage Experience**

Mr. Wong continues to focus on the sale and leasing of Office/Industrial properties in Northern California. His clients range from local investors and companies to national chains; Vernon J. Dallman Jr. Marital Trust, Vernon J. Dallman Jr. Family Trust, Peet's Coffee & Tea, Avis Rent A Car System, World Courier, Finitiv, Optimization Marketing (McIntyre Coil), Pacheco Pass Center PostNet, Kneizeh Ventures (ServiceMaster's) and Acoustic Specialties.

### **Education**

Mr. Wong earned his Bachelors of Science in Mechanical Engineering and Masters of Business Administration in Finance from the University of California, Berkeley. He is a licensed California Real Estate Agent and a Certified Commercial Investment Member (CCIM) Designee.
